## How To... Clear Cached Images in Chrome:

Find the Chrome icon/orb in the taskbar (the bottom of the computer desktop) and click on it. This is what you should click on:

When Chrome opens (it doesn't matter what page it opens). Click on the "Three Lines" towards the top right hand corner & a menu appears:

	Andy Z =
COUNTY SCHOOLS	New Tab New Window New Incognito Window な 第N
	History and Recent Tabs ► Downloads ☆⊮J Bookmarks ►
	Zoom - 100% + 2
	Print 왔P Find 왔F More Tools
	Edit Cut Copy Paste
	Settings Help and About

Please then click on "Settings"

A new Chrome Tab will open (it will be mostly white and be called "Settings").

C m	Chrome://settings		
irome	Settings	Search settings	
tory	Sign in		
ensions			
tings			
	On startup		
U.	Open the New Tab page		
	Continue where you left off		
	Open a specific page or set of pages. Set pages		
	Appearance		
	Get themes Reset to default theme		
	Show Home button		
	New Tab page Change		
	Always show the bookmarks bar		
	Search		
	Set which search engine is used when searching from the omnibox.		
	Google - Manage search engines		
	Enable "Ok Google" to start a voice search. Learn more		
	Say "Ok Google" in a new tab and google.com		
	People		
	Andy (current)		
	Enable Guest browsing		
	Let anyone add a person to Chrome		
	Add person Edit Remove Import bookmarks and settings		
	Default browser		
	The default browser is currently Google Chrome.		

Scroll to the bottom of this new tab and click on "show advanced settings":

a personal memoreal import bookinaiks and settings	ad percent inport booking and betting	in porcontinuito and octaings
--	---------------------------------------	-------------------------------

Scroll down just a few lines and under "Privacy" click on "Clear browsing data":

Content settings	Clear browsing data
Google Chrome may u	use web services to improve your browsing experience. You may optionally disable thes
services. <u>Learn more</u>	
ervices. Learn more	

Now click to select (or deselect) the options so that they exactly match what is shown below & change the dropdown menu to "the beginning of time":

Clear browsing data	×
Obliterate the following items from the beginning of time	
Browsing history	
Download history	
Cookies and other site and plugin data	
Cached images and files	
Passwords	
Autofill form data	
Hosted app data	
Content licenses	
Learn more Clear browsing data	91

Then click "clear browsing data".

You have now cleared cached images from the Chrome browser, thank you.
